

PRESS RELEASE

FATAL MOTOR VEHICLE COLLISION Revised with Identities Released

On July 5, 2014 at approximately 4:30 PM, Oldham County Police were dispatched to a motor vehicle collision on Highway 53 at Old Sligo Road.

When police arrived they located a two vehicle collision that had occurred on Highway 53 at the intersection of Old Sligo Road. The collision involved a Ford passenger car and a full size Dodge pickup. Two passengers in the Ford passenger car were deceased at the scene of the collision. The driver of the Ford passenger car was transported to University of Louisville Hospital with serious injuries. The Dodge pickup truck contained a total of five (5) persons, two (2) adults and three (3) juveniles. All of the occupants in the pickup were transported to Norton Brownsboro Hospital but none appeared to have any serious injuries.

The driver of the Ford passenger car has been identified as Brianna Zambrzycki, a 20 year old female, from LaGrange Kentucky. The deceased passengers from the same vehicle were identified as Ben Clifford, a 18 year old male from LaGrange, Kentucky and Haley OKelley, a 19 year old female from Jeffersonville, Indiana.

The driver of the Dodge pickup was identified as Michael Baker, a 29 year old male from Pleasureville, Kentucky. The front seat passenger of the same vehicle was identified as Stephanie Noel, a 24 year old female from Pleasureville, Kentucky. The Dodge pickup also had two (2) female juvenile passengers and a male juvenile passenger.

The cause of the collision remains under investigation.

If anyone should have any information in this case, or any other case, please contact the Oldham County Police Department at 502.222.1300 or www.oldhamcountypolice.com.
