PRESS RELEASE

Traffic Safety Checkpoints

The Oldham County Police will be conducting traffic safety checkpoints throughout the county during September and October. During the checkpoints officers will be enforcing laws related to operating a motor vehicle while under the influence of drugs or alcohol, licensing of motor vehicles and operators, registration and insurance violations, seat belt and child restraint violations, and motor vehicle equipment violations.

Traffic Safety Checkpoints are a valuable tool used to promote the safety and wellbeing of the public as well as providing police with visibility and interaction with the community. Checkpoints are utilized throughout the Commonwealth to help promote highway safety. These Checkpoints are performed in conjunction with The Kentucky Officer of Highway Safety initiatives.
