On March 24th at 6pm, the FLOCK camera system identified a stolen vehicle traveling east on Highway 146 coming into Oldham County. The vehicle was a white GMC Acadia. An OCPD officer spotted the vehicle and attempted a traffic stop. The vehicle fled and eventually the driver ditched the car on Friendship Drive off Highway 146.

A search of the surrounding area was started involving Oldham County Police, LMPD Air 1, Oldham County Drone Team, and Oldham County Sheriffs. Multiple locations were searched with negative results. During this time a resident reported as they returned home, a subject was in their home and fled out the back, with two of the owner's guns. A search of this area was negative.

The search was terminated at 2400 hours. However, Oldham County officers remained in the area throughout the night.

A suspect has been identified, and the investigation is continuing. At this point there is no indication the subject is still in the area. As more information becomes available it will be reported.
