UPDATE - Fatal Hit & Run Collision Investigation

Today, November 22, 2024, at approximately 08:30 A.M., officers and detectives of the Oldham County Police Department, in connection with an ongoing investigation into the November 11th hit & run collision on US 42 which resulted in the death of Margaret Preble, served a search warrant and two arrest warrants on individuals at a residence in the 1400 block of Bluegrass Parkway.

Arrested were,

Jason Edward Cornett, 53 years old, of La Grange, KY.

Zoe Elise Wolfe, 23 years old, of La Grange, KY.

Cornett is charged with violating KRS 189.580 - Leaving scene of accident/failure to render aid & KRS 524.100 – Tampering with physical evidence.

Wolfe is charged with violating KRS 524.100 – Tampering with physical evidence

Based on evidence recovered at the collision scene, and information obtained during the subsequent investigation, it was determined that the vehicle involved was a black 2022 Chevrolet Silverado 3500 pickup owned by Cornett. On November 13th OCPD detectives, with assistance from Kentucky State Police Post 11 – London, located Cornett’s truck at an automotive repair facility in Corbin, KY. The truck was impounded prior to repairs being made, and it was brought back to Oldham County once OCPD detectives confirmed the vehicle matched evidence found at the collision scene.

Detectives obtained evidence indicating Cornett was the vehicle’s operator at the time of the fatal collision, had consumed several alcoholic beverages a short time prior to driving, and afterwards made attempts to conceal evidence of his involvement. It was also determined that Wolfe knowingly drove the damaged truck out of Oldham County the day after the collision and was driving the vehicle prior to it being taken to the repair facility in Corbin.
